

Alpha Club

Afternoon Class for Kindergarten Children

September 5, 2012 through May 24, 2013

Tuesday - Friday

12:30 - 3:30

First United Church Nursery School is delighted to offer a class for children attending morning kindergarten. This class is not designed to duplicate kindergarten, but will be an opportunity for children to use what they are learning in kindergarten to express, explore and create in a different environment. This will enhance and support all the skills they are developing.

The classroom will be rich in literacy, math, dramatic play, science, art, and music experiences.

Spanish will be offered twice a week.

Gross motor games, creative movement experiences and Yoga will be part of the program.

Long-term projects will take place and children will regularly document their discoveries. The class will focus on the mental tools needed to learn and will incorporate independent thinking and planning by the class, self-regulation skills, working memory and cognitive flexibility.

Alpha Club will explore the community in which First United is located using the OP Library for research, and enjoying field visits to the OP Fire Department, Austin Gardens, Scoville Park, and many other sites in the area.

Staff to child ratio is one to six.

\$345.00 per month

Registration is now being accepted.
