YOUNG SPROUT DAY CAMP is a summer day camp experience for children three by June 1, 2010, to six (pre-first graders) sponsored by First United Church Nursery School.

The emphasis of camp is nature study and science discovery. There will be walks to the parks, play on the playground, and science and art activities around a three-week unit topic. Literature, music and cooking experiences are also a part of the camp curriculum.

A hose and sprinkler will be set up in the church front yard for water frolic one day each week.

The teachers may plan an excursion as part of the curriculum if it enhances the topic of study. You may be invited to assist with an excursion during your child's camp attendance.
